Well, that didn't take long. Tonight Episode 1.05 of "Van Helsing" airs on Syfy, and the network has announced the show's renewal for a second season already. Production of the 13-episode Season 2 will begin in January.

"It's with great pleasure and extreme excitement that all of us involved with 'Van Helsing' receive the news of a pick-up for a second season, especially this early in our initial run," said showrunner Neil LaBute. *"We have a wonderful and terrifying road ahead planned for Vanessa, her allies, and her enemies. I think this is a world and a story that can be sustained for many years, and I am inspired to do so thanks*

to Syfy's obvious trust and commitment in the storytellers, cast, and crew. The team is very thankful and ready to go—ready to get back on the road to Denver and to spill a lot of blood along the way.”
