### 3.4 million total viewers tune in to miniseries debut

The premiere of Discovery Channel's first miniseries "Klondike" drew 3.4 million total viewers, helping to deliver the network to its most watched Monday primetime in its history, Discovery said Tuesday.

All told, the network averaged 3.43 million total viewers for Monday primetime, a network best. The "Klondike" premiere also led Discovery to its most-watched Monday primetime among men, with
