

BINGE REPORT: New Netflix Series Shake Up “The Order” Of Our Top Ten

By: Natalie Burris

"The Order" takes over the Binge Report this week. Netflix

The Umbrella Academy (No. 2) has been dethroned! Supernatural teen series, *The Order*, is the latest show to climb its way to No. 1 with 2.56% of binge sessions. Netflix continues to be a powerhouse as the streaming service rounds out our top three positions with its latest entry, *Love, Death & Robots*. Season 1 of the sci-fi series dropped on March 15th, giving bingers the weekend to take full advantage of the 18-episode anthology.

Despite Netflix leading the report, it's network and cable programming that dominate this week. A number of fan-favorites like *Friends* (No. 4), *Grey's Anatomy* (No. 5), *Brooklyn Nine-Nine* (No. 6), and *Riverdale* (No. 7) never cease as report staples, but it's HBO's *Game of Thrones* that's having a comeback. While the show maintains its eighth place position, its binge sessions have grown to 1.52%.
